# Eleni Tzirita Zacharatou
# Curriculum Vitae

Assistant Professor, Hasso Plattner Institute
Campus II, F-E.03, August-Bebel-Str. 88, D-14482 Potsdam, Germany
eleni.tziritazacharatou@hpi.de | ORCID 0000-0001-8873-5455 | heltzi.github.io

---

## Education

**Ph.D.** in Computer Science — 2013 – 2019
**École Polytechnique Fédérale de Lausanne** (EPFL), Switzerland
Thesis: Efficient Query Processing for Spatial and Temporal Data Exploration
Advisor: Prof. Anastasia Ailamaki

**Diploma (M. Eng.)** in Electrical & Computer Engineering — 2007 – 2013
**National Technical University of Athens** (NTUA), Greece
Thesis: Automatic Music Transcription
Advisor: Prof. Petros Maragos

## Academic Experience

**Hasso Plattner Institute (HPI), University of Potsdam** — Potsdam, Germany
**Assistant Professor** — March 2025 –
- Lead of Research Group *Spatial Analytics and Large-Scale Data Processing*

**Berlin Institute for the Foundations of Learning and Data (BIFOLD)** — Berlin, Germany
**Junior Fellow** — July 2021 – now

**IT University of Copenhagen** (ITU) — Copenhagen, Denmark
**Assistant Professor** — May 2022 – February 2025
- Member of the Data-Intensive Systems and Applications (DASYA) group
- Research Focus: Spatial Big Data Analytics

**Technical University of Berlin** (TUB) — Berlin, Germany
**Postdoctoral Researcher**, Computer Science Department — Oct 2019 – Apr 2022
- Member of the Database Systems and Information Management (DIMA) group
- Supervisor: Prof. Volker Markl

**New York University** (NYU) — New York, USA
**Visiting Researcher**, Tandon School of Engineering — Jul 2016 – Oct 2016
- Member of the Visualization, Imaging and Data Analysis (VIDA) group
- Supervisors: Prof. Juliana Freire and Dr. Harish Doraiswamy

**École Polytechnique Fédérale de Lausanne** (EPFL) — Lausanne, Switzerland
**Doctoral Assistant**, Computer Science Department — Sep 2013 – Aug 2019
- Member of the Data-Intensive Applications and Systems (DIAS) group
- Research Focus: Spatial and temporal data management for exploratory applications
- Advisor: Prof. Anastasia Ailamaki

**École Polytechnique Fédérale de Lausanne** (EPFL) Lausanne, Switzerland
**Research Intern**, Computer Science Department Jan 2013 – Aug 2013
- Member of the Data-Intensive Applications and Systems (DIAS) group
- Supervisors: Prof. Anastasia Ailamaki and Prof. Thomas Heinis

## Honors and Awards
- Distinguished Reviewer Award, VLDB Conference 2025
- Distinguished Reviewer Award, VLDB Conference 2022
- Junior Fellowship, Berlin Institute for the Foundation of Learning and Data (BIFOLD) 2021
- Best Demonstration Award, ACM SIGMOD Conference 2018
- Travel Award, ExploreDB Workshop (in conjunction with ACM SIGMOD), USD 1K 2016
- Distinction in the Panhellenic Math Competition "Euclid", Hellenic Mathematical Society 2006

## Publications Summary
Full papers at top-tier conferences (CORE A*/A ranking) and journals: 13
Other peer-reviewed conference papers: 5
Peer-reviewed workshop and demonstration papers: 11
Number of citations: 463 and h-index: 12 (as per Google Scholar in February 2026)
Full list of publications: see https://heltzi.github.io/publications.html

## Invited Talks and Conference Presentations
- 02/2026: Where to Aggregate? Scalable Operator Placement for Stream Processing from Edge to Cloud, Humboldt University, Berlin, Germany
- 12/2025: Exploiting Heterogeneity in Modern Data Systems, EPFL, Lausanne, Switzerland
- 09/2025: Spatial Data Systems, Readings in Data Systems Seminar, ITU, Copenhagen, Denmark
- 06/2025: City data speaks – but how do we listen?, Soapbox Science Berlin, Holzmarkt, Germany
- 06/2025: Efficient Data Management for Spatial and IoT-Driven Applications, Snowflake, Berlin, Germany
- 05/2025: Efficient Data Management for Spatial and IoT-Driven Applications, Data & AI Cluster Meeting, HPI, Germany
- 03/2025: Efficient Aggregation in a Heterogeneous World, Next-Generation Data Management Systems event by Huawei@EDBT, Barcelona, Spain
- 03/2025: "Meet Your Mentor" Short Introduction, AI Grid, Online
- 10/2024: Unifying Spatial Data Analytics, Data Management Aspects of Analytics session at D3A Conference, Nyborg, Denmark
- 07/2024: Spatial Data Management Systems, VLDB Summer School, Cluj-Napoca, Romania
- 07/2024: Surviving in Academia: Personal Story and Advice, BIFOLD Career Seminar, Berlin, Germany
- 07/2024: Transforming Heterogeneous Spatial Data into Insights, BIFOLD Lunch Talk, Berlin, Germany
- 06/2024: Analysis of Geospatial Data Loading, DBTest Workshop@SIGMOD, Santiago, Chile
- 11/2023: Efficient Data Management for Modern Spatial Applications, HPI-TU Darmstadt Joint Database Systems Seminar, Online
- 09/2023: Efficient Data Management for Modern Spatial Applications, NERDS (ITU) Seminar, Denmark
- 09/2022: Efficient Data Management for Modern Spatial Applications and the Internet of Moving Things, DIREC Seminar, Aarhus, Denmark
- 09/2021: Agora-EO: A Unified Ecosystem for Earth Observation, Monthly Research Meeting, Department of Geo-information Processing, University of Twente, Online
- 01/2021: The Case for Distance-Bounded Spatial Approximations, CIDR Conference, Online
- 11/2019: Efficient Bundled Spatial Range Queries, SIGSPATIAL Conference, Chicago, USA
- 08/2019: Efficient Query Processing for Spatial and Temporal Data Exploration, Public Defense, EPFL, Lausanne, Switzerland

- 07/2019: GPU Rasterization for Real-Time Spatial Aggregation over Arbitrary Polygons, Hellenic Data Management Symposium (HDMS), Athens, Greece
- 02/2019: Interactive and Exploratory Spatio-Temporal Data Analytics, DIMA Research Seminar, TU Berlin, Germany
- 08/2018: GPU Rasterization for Real-Time Spatial Aggregation over Arbitrary Polygons, VLDB Conference, Rio de Janeiro, Brazil
- 06/2018: Interactive Exploration of Urban Data with GPUs, Short Presentation, IC Research Day, EPFL, Lausanne, Switzerland
- 04/2018: Improving Spatial Data Processing by Clipping Minimum Bounding Boxes, ICDE Conference, Paris, France
- 06/2017: Real-Time Spatial Aggregation using GPU Rasterization, EcoCloud Annual Event, Lausanne, Switzerland
- 09/2016: Indexing the brain, Data Science Lunch Talk, NYU Center for Data Science, New York, USA
- 06/2015: RUBIK: Efficient Threshold Queries on Massive Time Series, SSDBM Conference, San Diego, USA

## Panels

- Diversity, Equity, and Inclusion Panel, Panel Moderator, EDBT, March 2025
- Ph.D. Mentoring Panel, VLDB, August 2024
- A Discussion on Success in a Ph.D. Journey, VLDB Ph.D. Workshop, August 2024
- Spatial and Temporal Data Management Panel, ICDE, May 2022
- Spatio-Temporal Data System Panel, VLDB, August 2021

## Advising (Current)

- *Maximilian Schulze*, PhD, HPI, Fall 2025 – now
- *Anton Hackl*, Research Assistant, HPI, Fall 2025 – now
- *Felix Treykorn, Anton Persitzky, Maximilian Speer*, Master's Project, HPI, Fall 2025 – now
- *Gereon Dusella*, PhD, TUB, Primary advisor: Prof. Volker Markl Fall 2023 – now
- *Xenofon Chatziliadis*, PhD, TUB, Primary advisor: Prof. Volker Markl Fall 2019 – now
- Mentor in the AI Grid network 2023 – now

## Advising (Alumni)

- *Martin Kiefer*, PhD, TUB, Primary advisor: Prof. Volker Markl Fall 2021 – Fall 2022
- *Aske Wachs*, MSc Research Project & Thesis, ITU Fall 2023 – Spring 2024
- *Johan Kjersgård Flensmark, Benjamin Hammer Thygesen, Alexander Theodor Bilde Pedersen*, MSc Research Project & Thesis, ITU Fall 2023 – Spring 2024
- *Barbara Puljak*, MSc Research Project & Thesis, ITU Fall 2023 – Spring 2024
- *Dagmara Kamila Przygocka, Kamila Garczynska*, MSc Research Project, ITU Fall 2023
- *Hanno Skowronek*, MSc Thesis, TUB, Primary advisor: Prof. Begüm Demir Spring 2023
- *Carl Bruun & Rasmus Garbarsch*, BSc Thesis, ITU Spring 2023
- *Gergo Gyori*, BSc Thesis, ITU Spring 2023
- *Gereon Dusella*, MSc Thesis, TUB, Co-supervisor: H. Gavriilidis Spring 2023
- *Peter Løffmann, Thomas Haugaard Mogensen, Zachery Kuntz*, MSc Research Project, ITU Fall 2022
- *Laert Nuhu*, MSc Thesis, TUB, Co-supervisor: H. Gavriilidis Spring 2022
- *Pablo Alberto Osinaga Arze*, MSc Thesis, TUB Fall 2021
- *Iva Mihajlovska*, MSc Thesis, TUB Spring 2021
- *Marcellus Prama Saputra*, BSc Thesis, TUB Spring 2021
- *Robin Papke*, MSc Thesis, TUB Fall 2020
- *Elena Beatriz Ouro Paz*, MSc Thesis, TUB Spring 2020
- *Carlos E. Muniz Cuza*, MSc Thesis, TUB & Aalborg University, Spring 2020

Co-supervisors: Professors Nguyen Thi Thao Ho, Torben Bach Pedersen, Bin Yang

- *Vlad Mihaescu*, MSc Research Project, EPFL — Fall 2018
- *Maria Ilina*, Summer Intern, EPFL — Summer 2018
- *Parand Alizadeh*, Summer Intern, EPFL — Summer 2018
- *Chenxi Sun*, Summer Intern, EPFL — Summer 2015

## Guided Research

- *Thanasis Georgiadis*, Approximating Polygons as Raster Interval Lists — Spring 2023
- *David Burell*, Workload Prediction for IoT Data Management Systems — Fall 2022
- *Felix Henze*, Efficient Specialized Spreadsheet Parsing — Spring 2022
- *Ahmet Kerem Aksoy*, Satellite Image Search in AgoraEO — Spring 2022
- *Christian Winter*, A Query-Cache Accelerated Data Structure for Spatial Aggregation over Polygons — Fall 2021

## PhD Thesis Committees

- Xenofon Chatziliadis, PhD Defense, Reviewer, TU Berlin (Advisor: Volker Markl) — 2025
- Thanasis Georgiadis, PhD Defense, Reviewer, University of Ioannina (Advisor: Nikos Mamoulis) — 2025
- Simon Krogmann, PhD Defense, Examiner, HPI (Advisor: Tobias Friedrich) — 2025
- Keven Richly, PhD Defense, Reviewer, HPI (Advisor: Hasso Plattner) — 2024
- Martin Kiefer, PhD Defense, Reviewer, TU Berlin (Advisor: Volker Markl) — 2023
- Morten Tychsen Clausen, PhD Midway, ITU (Advisor: Philippe Bonnet) — 2023

## Teaching

| Term | Institute | Course Name | Role |
|---|---|---|---|
| Fall 2025 | HPI | Spatial Databases Lecture (6 ECTS, MSc) | Course Manager & Responsible Lecturer |
| Fall 2025 | HPI | Lecture Series on Database Research (3 ECTS) | Lecturer |
| Fall 2025 | HPI | Enabling Cross-Platform Spatial Analytics with Apache Wayang (Master's Project, 12 ECTS) | Project Mentor |
| Spring 2025 | HPI | Spatial Data Management Project Seminar (6 ECTS, MSc) | Course Manager & Responsible Lecturer |
| Fall 2023 – Fall 2024 & Fall 2022 | ITU | Introduction to Database Systems | Course Manager & Responsible Lecturer |
| Fall 2021, Spring 2021 | TUB | DBPRA: Datenbankpraktikum (Practical course on databases) | Responsible Lecturer |
| Fall 2020 | TUB | AIM-3: Scalable Data Analysis and Data Mining | Lecturer |
| Fall 2020, Spring 2020, Fall 2019 | TUB | BDASEM: Big Data Analytics Seminar | Lecturer |
| Spring 2020 | TUB | BDAPRO: Big Data Analytics Project | Project Mentor |

| | | | |
|---|---|---|---|
| Fall 2019 | TUB | DBSEM: Foundations of Database Systems Seminar | Lecturer |
| Fall 2018/2019, Spring 2014 | EPFL | Information, Computation, Communication | Teaching Assistant |
| Spring 2018, Spring 2017 | EPFL | Database Systems | Teaching Assistant |
| Fall 2017/2018 | EPFL | Programming I (in C) | Teaching Assistant |
| Spring 2016 | EPFL | Probability and Statistics | Teaching Assistant |
| Fall 2015/2016 | EPFL | Computer Architecture | Teaching Assistant |
| Spring 2015 | EPFL | Introduction to Database Systems | Teaching Assistant |
| Fall 2014/2015 | EPFL | Introduction to Object Oriented Programming (in Java) | Teaching Assistant |

## Service

**Organization:**

- Program Co-chair, DOLAP Workshop 2026-2027
- Program Co-chair, Hellenic Data Management Symposium (HDMS) 2025
- Proceedings Co-chair, SIGMOD 2025
- Diversity and Inclusion Co-chair, EDBT 2025-2026
- Student Travel Grant Selection Committee Member, SIGMOD 2025
- Co-organizer, Data Management Aspects of Analytics Workshop (in conjunction with the D3A Conference), 2024
- Proceedings Chair, DEBS 2022
- Co-chair, BOSS Workshop 2020 (in conjunction with VLDB)

**Program Committee:**

- VLDB: 2026, 2025, 2023, 2022
- ACM SIGMOD: 2027, 2026 (Round 4), 2025, 2024, 2023, 2022, 2021 (Industrial track)
- ACM SIGSPATIAL PhD and Graduate Studies Workshop & Student Research Competition: 2025
- IEEE ICDE: 2024 (Demo track)
- EDBT: 2022
- VLDB PhD Workshop: 2023
- BTW: 2023 (Demo track)
- ACM SIGSPATIAL Workshop on Location-based Recommendations, Geosocial Networks and Geoadvertising (LocalRec): 2023
- PLDI Workshop on Distributions, Relational Algebra, Graphs, Semi-Rings, Tensors, and All That (DRAGSTERS): 2023
- IEEE Intl. Workshop on Testing Distributed Internet of Things Systems (TDIS): 2025, 2022
- AI-ML Systems: 2021
- CIKM: 2018 (Short research papers track)

**Journal Reviewer:**

- VLDB Journal, 2021 − 2022
- Knowledge and Information Systems (KAIS) Journal, 2021 − 2022

- Big Data Research Journal, 2022

**External Reviewer:**
CIDR 2022, SIGMOD 2021, CIDR 2021, ICDE 2017

**Session Chair:**
EDBT 2023, VLDB 2021, VLDB 2020

**Assessment and Admission Committees:**
- Hiring Committee Member at University of Hamburg: Professorship of "W3 Data Engineering", 2024
- Program Admission Committee Member at ITU: Data Science Bachelor (Spring 2024), Software Design Master (Spring 2023)
- PhD Assessment Committee Member at ITU: Spring 2024, Spring 2023, Fall 2022
- Hiring Committee Member at TU Berlin: Professorship of "W3 Big Data Engineering", 2021

**Department Level:**
- Co-organizer: CS Lectures Series, ITU, 2022 − 2024
- Co-organizer: CS Department Annual Retreat, ITU, 2023

## Media, Blogs, and Interviews
- 2025: *HPI appoints BIFOLD fellow Eleni Tzirita Zacharatou as professor*, BIFOLD website
- 2025: *Press release: Two new professors at the Hasso Plattner Instiute*, HPI website
- 2023: *An Interview with Eleni Tzirita Zacharatou*, DIMA TUB website
- 2021: *Advancing Big Data Analytics: Post-Doctoral Research*, DataTalksClub podcast
- 2021: *BIFOLD welcomes the first six junior fellows*, BIFOLD website
- 2021: *The Case for Distance-Bounded Spatial Approximations*, The Agora Technology Blog, Medium
- 2018: *Student-teacher Duo from EPFL Wins Best Demonstration Award at SIGMOD*, Ecocloud News
- 2018: *Tandon Team Takes Home Top Honors at Association for Computing Machinery Conference*, Tandon School of Engineering News

## References
Provided upon request.

## Languages
Greek (Native), English (Fluent), French (Fluent), German (Intermediate)

## Extracurricular
I have formally studied the piano, the violin, and music theory. I enjoy playing music alone or in groups.
- 2010: Piano Teaching Diploma (Ptychio), Grade Excellent, Athenaeum Conservatory
- 2005: Classical Harmony Diploma (Ptychio), Heraklion Conservatory

Last update: February 14, 2026.

Assistant Professor, Hasso Plattner Institute
eleni.tziritazacharatou@hpi.de | ORCID 0000-0001-8873-5455 | heltzi.github.io

| Metric | Value |
|---|---|
| Peer-reviewed publications | 29 |
| Citations | 463 |
| h-index | 12 |
| i10-index | 14 |

Table 1: Summary of bibliometrics as per Google Scholar in February 2026.

Note: The database research community is relatively small, resulting in correspondingly smaller indices for its researchers, as evidenced by conference indices.[1] The venue ranking according to the CORE Conference Portal[2] is included when available, referencing the ranking cycle valid at the time of submission. My name is highlighted in **boldface** and the names of students under my (co-)mentorship are marked with an asterisk (*).
